Dear Joseph Gammons:

On behalf of the City of Cape Coral, we have carefully reviewed the Bid Proposals submitted for the furnishings package of the new Cape Coral Police Department. We are pleased to inform you that Office Furniture and Design Concepts has been awarded the contract for this package as a result of your overall Bid Proposal and Presentation. We appreciate your time, hard work, and dedication to the City of Cape Coral.

Although Office Furniture and Design Concepts was not the lowest bidder, you have provided the overall best quality of furniture that suits the needs of this facility, at a cost effective price. More importantly, the manufacturers' warranties that were provided were of exceptional value.

Your team was more than capable of meeting and exceeding our expectations for this Proposal within the stringent timeframe you were given. Because of Office Furniture and Design Concept's thoroughness and attention to detail we will be able to generate a purchase order in a timely manner, with minimal altering of the bid.

We were impressed with Office Furniture and Design Concept's commendable commitment of customer service and clear organization of your process from Design to Purchase to Installation and Follow Up. Architectural Interiors, Inc. is looking forward to working with your team to accommodate the City's needs and create a space that will function, a space they will enjoy, and a space they can be proud of.

Very truly yours,
Sarah Samstag, IIDA
